

Preamble

The [sports premium](#) is additional funding given to publicly funded schools in England to raise the attainment of disadvantaged pupils and close the gap between them and their peers.

Sports premium funding is available to both mainstream and non-mainstream schools, such as special schools and pupil referral units. It is paid to schools according to the number of pupils who have been:

- registered as eligible for free school meals at any point in the last 6 years
- been in care for 6 months or longer

In the 2013 to 2014 financial year, schools will receive:

- £953 for each eligible primary-aged pupil
- £900 for each eligible secondary-aged pupil

Funding for 2014 to 2015

In the 2014 to 2015 financial year, sports premium funding will increase to:

- £1,300 for each eligible primary-aged pupil
- £935 for each eligible secondary-aged pupil

Funding to support looked-after children will increase to £1,900 for each eligible pupil. Eligibility for funding will be extended to all children who:

- have been looked after for 1 day or more
- were adopted from care on or after 30 December 2005 left care under:
 - a Special Guardianship Order on or after 30 December 2005
 - a Residence Order on or after 14 October 1991

Context of the school

Richard Whittington Primary school is situated in the Thorley area of Bishop's Stortford. We admit pupils from the surrounding area. Children enter the school with abilities broadly in line those expected nationally and increasingly they make good progress throughout the school. The school benefits from good parental support and has sound links with the community. The number of children eligible for free school meals is low when compared to the national average.

Key Facts

The school was originally built for an intake of 30 pupils per year group and subsequently expanded the yearly intake to 45. Additional premises were built to accommodate this expansion. From Years 1 to 6 children are taught in mixed year group classes. Governors appointed a new Headteacher, starting in September 2014.

Activity	Aimed at improving
Promote children's spiritual, moral, social and cultural development through sporting activities.	As a school we will take part in national 'Sports Week'. This gives all children from nursery to year 6 the opportunity to immerse themselves in a wide variety of sporting and health and fitness activities. 'Sports Week' helps the children to build relationships in the school community, as well as the building relationships with parents and the local community.
Improve the teaching of Physical Education and the learning experience for all pupils.	As a school we feel it is important that all children experience high quality Physical Education provision therefore we are aiming to improve the planning, teaching and assessment of P.E. We will do this through training, CPD and the up skilling of our staff.
Provide greater extra-curricular sporting opportunities for all pupils.	Liaising with outside providers, we are looking to improve the quality and availability of extra curricular sports for all children- from reception to year 6. This will in turn increase the number of children taking part in competitive and non-competitive sport.
Support school sport in the local cluster.	The Birchwood Sports Partnership will allow us more opportunities to take part in cluster competitions as well as collaborating with the 'Youth Sports Trust'. We will also have the opportunity to use specialist equipment and facilities and support in taking part in the 'Sainsbury's Active Kids' programme.
