

Preamble

The Government is providing additional funding of £150 million per annum for academic years 2013/2014, 2014/2015 and 2015/16 to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children.

This funding is ring-fenced and therefore can only be spent on provision for PE and sport in schools. We will be held accountable for how we have used the additional funding to support pupils progress and participation in PE and school sport.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools

Primary Sport Grant Awarded	
Number of pupils on roll:	327 (based on January 2015 census)
Basic Grant	£8000
Additional amount per pupil	5 x 327 = £1635
Total grant received	£9635

Context of the school

Richard Whittington Primary school is situated in the Thorley area of Bishop's Stortford. We admit pupils from the surrounding area. Children enter the school with abilities broadly in line those expected nationally and increasingly they make good progress throughout the school. The school benefits from good parental support and has sound links with the community. The number of children eligible for free school meals is low when compared to the national average.

Key Facts

The school was originally built for an intake of 30 pupils per year group and subsequently expanded the yearly intake to 45. Additional premises were built to accommodate this expansion. From Years 1 to 6 children are taught in mixed year group classes. Governors appointed a new Headteacher, starting in September 2014.
